We make an exception if a visitor's company or organisation operates a lone working policy that requires contact with their office periodically throughout the day. Visitors will be advised of a quiet space where they can use their mobile phone, where no children are present.
- These rules also apply when visiting or supporting staff in other settings.

Parents are advised that they do not have a right to photograph anyone else's child or to upload photos of anyone else's children.
- If photographs of children are used for publicity purposes, parental consent must be given and safeguarding risks minimised.
- Photographs and recordings of children are only taken of children if there is written permission to do so (found on the individual child's registration form).

- If staff name the organisation or workplace in any social media they do so in a way that is not detrimental to the organisation or its service users.

If a practitioner and family are friendly prior to the child coming into the setting, this information is shared with the manager prior to a child attending and a risk assessment and agreement in relation to boundaries is agreed.

Use and/or distribution of inappropriate images
